## THE PIETERMARITZBURG AGENCY FOR COMMUNITY SOCIAL ACTION (PACSA)

cordially invite you to participate in a roundtable discussion on

### ***Unpacking the 2017 Budget: What are the options for the poor?***

*“For us the economy is about society deciding about how to share its resources so that all people have access to the goods and services they require to live at a level of dignity. All economic policy has to be aimed to serve this purpose. We have to start making decisions on the basis of what is good for society and not only on what is good for the corporates in the hope that the corporates, by themselves, will lead us out of the economic crisis we face.”*
