

## THE CATHOLIC PARLIAMENTARY LIAISON OFFICE

cordially invites you to participate in a roundtable discussion on

### ***Community Protests: A means to make local government listen?***

*“Categorising community protests as being about “service delivery” underestimates the importance of other grievances protesters also raise — issues such as representation, corruption, jobs and crime. Even where services are the main concern, people often complain about quality of delivery rather than absolute failure to deliver. Discarding the “service delivery” tag opens possibilities for a more informed debate about complex phenomena”.*
