

THE CATHOLIC PARLIAMENTARY LIAISON OFFICE

cordially invites you to a seminar on

The Amendments to Key Labour Legislation: What's the impact on workers?

“The biggest changes to South Africa’s labour laws since 1995, shortly after the country’s first democratic elections, are currently being considered by parliament. If passed into law, they will significantly limit the hard won rights of workers to strike. In addition, details about the country’s much-heralded national minimum wage set out in the enabling legislation show that, in practice, it may be unenforceable2018.”
